Phoenix Suns to Host New Sexual Assault Awareness Fundraiser
Golf to Give Set for April. 8 at the Westin Kierland Golf Club

Phoenix, AZ. – The Phoenix Suns today have announced Golf to Give, a new fundraiser aimed to raise money for local nonprofit Arizona Coalition to End Sexual and Domestic Violence. Golf to Give will take place on April 8 at the Westin Kierland Golf Club. The Suns are encouraging fans to become educated and show support during April - Sexual Assault Awareness Month.

For \$200 per person, this event will include a buffet-style brunch, prizes and a spot in a nine-hole golf tournament with Suns players, alumni and staff. All proceeds will be donated to Arizona Coalition to End Sexual and Domestic Violence to support their valuable mission and raise awareness on sexual assault.

"One of my goals as owner is to rally the valley in ways that also encourage education on important issues such as sexual assault. The Suns are committed to providing families and children across the state with a safe space to thrive," Suns Governor Mat Ishbia said. "Although only a few hours long, Golf to Give will hopefully impact lives for years to come. We are looking forward to this event and hope to see our community in attendance."
