**Sunshine for Students in the Valley**  
*Phoenix Suns Host School Supply Drive*

**Phoenix, AZ.** – Today, the Phoenix Suns have announced a new fundraiser and partnership with several Arizona school districts to provide underprivileged students with essential school supplies. The fundraiser Sunshine for Students focuses on rallying the valley through education advocacy. Phoenix Suns’ players, coaches and staff will deliver the donations to partnering schools at the start of the 2023-2024 school year.

Sunshine for Students will run from March 1 to March 21 with drop boxes located outside Footprint Center. For each item donated, the donor will receive one digital raffle entry. On March 22, four winners will receive courtside seats and a pre-game meet and greet with the Phoenix Suns.

"We are thrilled to partner with local school districts and provide students with the necessary learning supplies, as our organization highly values the overall well-being of children," said Kimberly Corbitt, Senior Vice President, People & Culture, Phoenix Suns. "It is important to remind our fanbase that we are bigger than basketball, and our mission to rally the valley begins with our community."

For more information on Sunshine for Students, please visit our website at <https://www.nba.com/suns/culture> or join the Phoenix Suns at the next home game on Feb. 24, 2022, for announcement details at halftime.
